

Inaugural European Team-Based Learning Symposium and TALENT Project Showcase

Friday 20th May
Athlone, Ireland

This free event will take place on 20th May, 2022 in the Technological University of the Shannon (TUS), Athlone and is jointly organised by the European Team-Based Learning Community ([ETBLC](#)), the [Erasmus TALENT Project](#) and [TUS](#). This event will be live streamed and will provide the opportunity to present virtually.

[Aim of ETBLC symposium 2022](#)

The aim of the event is to provide an interdisciplinary platform for those who teach using Team Based Learning to share practice, experience and expertise.

[Programme will include](#)

- Practitioner and research presentations.
- 5 min lightning talks.
- Introduction to TBL workshop
- Virtual and face-to-face poster sessions.

[Calls for submissions](#)

We encourage the submission of papers/posters/"lightning" presentations from across Europe and beyond, that would be of interest to TBL practitioners.

Submit an [abstract here](#)

Register for the [Symposium here](#)

[Important Dates:](#)

Submission deadline: March 31st, 2022

Acceptance notification: April 8th, 2022

Symposium date: May 20, 2022

20TH MAY 2022
9 AM - 4 PM
ATHLONE IRELAND

Additional Information

Abstract submission can include;

- Evaluation and assessment of student learning
